# I Believe in One, Holy, Catholic and Apostolic Church

1. How did we arrive at the many divisions in the church that we see today.
2. Personal Testimony of the confusion created.
3. What did Jesus mean by 'Unity' in John 17
  - Holy
  - Catholic
  - Apostolic
4. How does that affect us in NLC today

# SUMMARY

- This is not about our differences, but celebrating our common ground.
- It's about not being judgemental or superior.
- Its about working together with other churches to show God's love in practical ways, and worshipping together. Always striving to find The Common Ground.
